

Who we are... Victory Trade School

Transformed lives— impacting the community by education *through* social enterprise.

The Cook's Kettle Restaurant is a social enterprise laboratory for the Victory Trade School whose purpose is to provide opportunities for students to learn in a Christian environment, to gain skills necessary To make a living in the hospitality industry, and to attain the life skills necessary to enter society as productive citizens.

Students receive training in the restaurant front-of-the-house, back-of-the-house, and catering. They attend classes for life skills, interpersonal skills, and Bible studies along with seven certificate courses in hospitality. Upon graduation students will have earned a ManageFirst® Professional Credential from the National Restaurant Association Educational Foundation.

We at VTS are dedicated to the foundation of character as well as the mind, and challenge the students to realize their full potential. We strive to foster a commitment to values such as integrity, responsibility, courage and creativity. Each student receives a personalized education and we endeavor to acquaint students with the teachings and values of the Christian faith, an appreciation for teamwork, and a respect for their environment while providing education in a viable trade.
