

Who we are... Victory Trade School

Transformed lives— impacting the community by education *through*
social enterprise.

The Cook's Kettle Restaurant is a social enterprise laboratory for
Victory Trade School whose purpose is to provide opportunities
for students to learn in a Christian environment, to gain skills necessary
To make a living in the hospitality industry, and to attain the life skills
necessary to enter society as productive citizens.

Students receive training in the restaurant front-of-the-house,
back-of-the-house, and catering. They attend classes for life skills,
interpersonal skills, and Bible studies along with seven certificate
courses in hospitality. Upon graduation students will have earned
a ManageFirst® Professional Credential from the
National Restaurant Association Educational Foundation.

We at VTS are dedicated to the foundation of character as
well as the mind, and challenge the students to realize their full
potential. We strive to foster a commitment to values such as
integrity, responsibility, courage and creativity. Each student
receives a personalized education and we endeavor to acquaint
students with the teachings and values of the Christian faith, an
appreciation for teamwork, and a respect for their environment
while providing education in a viable trade.
