28

JOB PLACEMENT

Enter the job placement rate for program completers:

80%

For the job placement rate reported above, enter the following information to be included in the template as context for the job placement rate. Who is included?

Enter information about the students included in the calculation of this rate (example: All students who completed between July 1, 20xx and June 30, 20xx are included in this calculation).

All graduated students from
6/1/2010 – 6/30/2011

What type of job?

The job placement rate looks at any position filled after completion. Positions recent completers were hired for include manager, cook, chef, utility, prep cook and waiter, and staff of Christian lodge.

Provide information here about whether the jobs are in-field of study or not. (example: This job placement rate looks only at jobs that were in the field of study. Positions that recent completers were hired for include:).

When were they employed?

Enter information about how long after the program completion date the job placement rate is based. (example: This rate is based on program completers who were employed within 180 days of completion and were employed for at least 13 weeks).

This rate is based on program completers who were employed within 90 days of completion and were employed for at least 90 days.

How were graduates tracked?

Provide information about how this information is obtained (completer/alumni survey, state data system, etc.). If a survey of completers/alumni is used, please provide the response rate to the survey.

Data was obtained through exit interviews with completers, phone calls, emails and social media with completers and follow-up calls to their employers.

What agencies (state or accrediting), if any, is this rate reported to? NCA-CASI

Enter the state or accrediting agency(ies) to which your institution reports this job placement rate.
